Menus are custom to each couple depending on your likes, dislikes, and what is fresh & in-season. Your menu layout is chosen upon contracting, and tastings take place (6) weeks prior to your wedding.

Your final menu is due (21) days prior to your event, and your guaranteed guest count is due (10) business days before your event.

Our on-site Event Planning Manager will be your contact for menus and floorplan. Their responsibility on the day of your wedding is managing our team. We require our couples hire a Day-Of Coordinator for a stress-free wedding day.
